SECTION I. INTRODUCTION

0001

1. SCOPE

This publication provides an overprinted DA Form 2062 (Hand Receipt) which lists the contents of Components of End Item (COEI), Basic Issue Items (BII), and Additional Authorization List (AAL) items related to the M109A6 Howitzer.

2. GENERAL

Section II is the overprinted DA Form 2062 which lists the line item entry for system/end item and the content of COEI, BII and AAL extracted from TM 9-2350-314-10. The listings consist of exactly the same items and are in the same sequence as those listings in TM 9-2350-314-10. (Corrections and additions to National Stock Numbers and Part Numbers have been made.)

The overprinted DA Form 2062 will eliminate manual preparation of the form and will assist organizations in inventorying and accounting for property as required by AR 710-2.

Local reproduction of the overprinted DA Form 2062 is authorized. However, organizations will comply with local policies in the reproduction of DA Form 2062 by office copying equipment, field printing plant, or duplicating facilities.

Additional copies of this publication may be requisitioned from the U.S. Army Publishing Agency Distribution Operations Facility, 1655 Woodson Road, St. Louis, MO 63114-6181, in accordance with the procedures in DA PAM 25-33.
